DETAILED ACTION

This office action is in response to the applicant's amendment dated 9/11/2006.

Continued Examination Under 37 CFR 1.114

1. Although the applicant, in the Remarks, has submitted a request for continued examination, including the fee, the examiner notes that such a request is not required in response to the examiner's non-final office action. Therefore, the submission dated 9/11/2006 is being treated as an amendment after non-final rejection. The applicant is advised to proceed further in regard to the submission of RCE fees as seen fit.

Response to Amendment

2. Applicant's arguments (see amendment filed 9/11/2006), with respect to all objections and rejections, have been fully considered and are persuasive. The objections and rejections of the office action dated 3/9/2006 have been withdrawn.

Allowable Subject Matter

3. Claims 1-9 are allowed. The examiner agrees with the applicant's reasons for allowance submitted with the amendment dated 9/11/2006.
